

CLAIRE MATTHES

FARNHAM & BORDON

Claire is well-known locally, both as a hard-working Haslemere Town Councillor and in her volunteer roles. A qualified family and early years practitioner, Claire also runs Community Orchard Project South East, planting and caring for community orchards all across Southern England, and leads local water testing in the River Wey.

On everything from ending sewage dumping to tackling the cost-of-living crisis, Claire will be a strong local voice for real change – not minor tweaks around the edges of a broken system.

Claire: "All the polls are clear – **the Conservatives are going to lose**, by a landslide. The question is – what will the next government do? Major change is needed – **Labour's plan for a few small tweaks won't get the job done.**"

"Green MPs will push the Government to think bigger and do better."
